WE BRING
IMAGINATION
TO THE
WORLD.

STUDIOENVIRONMENT

If you wanna see how the whole studio pipeline works and how the work environment of the studio is than take a tour of our magical studio.

LATEST NEWS/TECHNOLOGY

Here, you guys can read more about the latest news about the VFX industry as well as the newly launched technology for film industry by our company.

PRODUCT ADVERTISING

We also give your product an identity by representing it using some fantastic graphical elements. We use different 3D, motion design software and realistic rendered output to make your product more identical and helps boost up its market value.

3D ASSET MODELLING

We provide the 3D models for gaming as well as for movies. We give you the final model after completing whole pipelines of modelling such as visualization, look development, modelling and UV texturing. We provide you the realistic rendered output.

CHROMAKEYING

From crowd duplication to single strands of hair, Trace can matte it all. With multiple rounds of quality control, we make sure your deliverables are perfect & on-time, every time.

WHO ARE WE??

WOLFSTUDIO is the world's leader in visual effects prep outsourcing. Our staff of 1000 has delivered over 80,000 high-quality shots for companies around the globe, big and small. Find out how we can help you.

Founded in 2010 by former staff from The Mill, we set out to create a Western-style VFX operation in Mumbai. Initially focused on rotoscoping, the breadth of services quickly grew to include paint, tracking, 3D, and pipeline development.

We believe that running a successful visual effects company is dependent on attracting and retaining the best talent. Recently named the number one VFX company to work for in India, we produce the highest quality work by nurturing the best people. Trace is not a factory. We are a consistent and responsible partner for the world's VFX industry.

WE, THE HUNTERS WHO ALWAYS HUNGRY TO ACHIEVE GOALS
